Once you do Amphetamines you may regret it for life

Amphetamines are classified as Category Two narcotics in Taiwan. Transporting or manufacturing Amphetamines may be punished with a maximum sentence of life imprisonment; using or possessing Amphetamines may be punished with a three-year maximum fixed-term imprisonment. Using Amphetamines will violate the narcotics prevention laws and send you to prison, spend all your money, and cause mental and physical harm to you.

Taiwan cares about you
